Additional Lyrics

3. Poor little darling with a chip out of her heart,
 It's like acting in a movie
 When you've got the wrong part.
 Getting your kicks in another girl's bed,
 And it was only last Tuesday
 They found you in the subway dead.

4. And who could you call
 Your friends down in Soho?
 One or two middle aged dykes in a go-go?
 And what do you expect
 From a sixteen year old yo-yo?
 And hey, hey, hey, oh don't you know.

Moderate rock

The musical score is written for piano and voice. It begins with a piano introduction consisting of two systems of music. The first system has guitar chords C, F, C, F, G, C/G, and G. The second system has C/G, G, C/G, C, F, C, F, G, C/G, and G. The vocal line enters in the third system with the lyrics: "Well she looked a peach in the dress she made when she was". The piano accompaniment continues with a steady eighth-note bass line and chords. The lyrics continue: "her veil I could see a tear trick-ling". The piano accompaniment features a melodic line in the right hand and a bass line in the left hand. The lyrics continue: "still her ma-ma's lit-tle girl. And when she walked down the aisle, how ev-ry". The piano accompaniment continues with the same rhythmic pattern. The lyrics continue: "down her pret-ty face. And when he slipped on the ring I knew". The piano accompaniment concludes with a final chord.
