Verse 1:

Remember when I cried to you a thousand times
 I told you everything you know my feelings
 It never crossed my mind that there would be a time
 For us to say goodbye what a big surprise

Refrain:

But I'm not lost I'm not gone
 I haven't forgot

Chorus 1:

These feelings I can't shake no more
 These feelings are running out the door
 I can feel it falling down
 And I'm not coming back around
 These feelings I can't take no more
 This emptiness in the bottom drawer
 It's getting harder to pretend
 And I'm not coming back around again
 Remember when

Verse 2:

I remember when it was together til the end
 Now I'm alone again where do I begin?
 I cried a little bit you died a little bit
 Please say there's no regrets and say you won't forget

(Repeat Refrain)

Chorus 2:

These feelings I can't shake no more
 These feelings are running out the door
 I can feel it falling down
 And I'm not coming back around
 These feelings I can't take no more
 This emptiness in the bottom drawer
 It's getting harder to pretend
 And I'm not coming back around again
 remember when

Bridge:

That was then now it's the end
 I'm not coming back I can't pretend
 Remember When

Chorus 3:

These feelings I can't shake no more
 These feelings are running out the door
 I can feel it falling down
 And I'm not coming back around
 These feelings I can't take no more
 This emptiness in the bottom drawer
 It's getting harder to pretend
 And I'm not coming back around again
