Some stupid video posted as a joke, somebody's life gets ruined
Out of everything we can create
Where is the cure to keep the sick from losing
Babies having babies 'cause their parents are always gone
Somehow we have forgotten how to make a house a home
How to make a house a home
Oh! Oh! Yeah! Yeah!

I'm begging for forgiveness, I wanna make a difference
Even in the smallest way
I'm only one person, but I can feel it working
I believe in better days
That's why I pray, yeah
That's why I pray, yeah
